COMMENTS

- Strengths
- Areas of Improvement

Abstract and Research Methods	0-5 points per line
▪ Purpose of investigation is well-defined.	
▪ Quality essential questions / research questions are used to drive the investigation.	
▪ Project employs appropriate research methods using a variety of valid sources.	
▪ Abstract is free of grammatical, punctuation and spelling errors. Abstract length does not exceed 3 pages plus bibliography. The bibliography, while required, is not included in the page count.	
▪ Abstract summary provides a comprehensive overview of project findings and their relevance.	
▪ Conclusions are supported by sound evidence and are tied to research questions.	
▪ Student analyzes information, demonstrates the relevance of the research, or makes future predictions.	
▪ References are appropriately cited and documented in a standard format consistent in style.	
Abstract and Research Methods Section Total 40 Points Possible	

Oral Presentation	0-5 points per line
▪ Introduction captures audience's attention and provides a clear statement of purpose.	
▪ Presentation style is creative and well-organized. Use of notes is limited and does not detract from the presentation.	
▪ Student makes eye contact with judges and speaks in a clear and confident voice. Facial expressions and body language demonstrate interest and enthusiasm in the subject matter.	
▪ Presentation demonstrates a strong level of understanding of purpose, content, findings and conclusions.	
▪ Presentation describes the findings and conclusions and explains their relevance.	
▪ Student uses elements of the physical display to support and/or enhance the oral presentation.	
▪ Closing provides an appropriate summary of the project.	
▪ Responses to judges' questions demonstrate knowledge of purpose, methods, findings, and/or conclusions. Student responds appropriately if unable to answer a judge's question.	
Oral Presentation Section Total 40 Points Possible	

Physical Display or Multimedia Presentation	0-5 points per line
▪ Display is self-explanatory and highlights the most relevant information.	
▪ Data and other information are arranged coherently.	
▪ Display is neat, well-organized and free from grammatical, spelling and punctuation errors. Prohibited items result in no points being rewarded in this area.	
▪ Artifacts, charts, photographs, or technological devices are used creatively and effectively to enhance the display.	
Physical Display Section Total 20 Points Possible
